# **#1 Newsletter - EU Recovery Funds Portugal / Spain**

## **Your first hand access to information about the EU Recovery Funds – Next Gen EU**

Welcome to the first newsletter from the Trade Council in Portugal and Spain, where we offer insights into the EU Recovery Plan with a focus on digitalisation tenders such as GovTech, FinTech, EdTech etc. and EU Recovery projects in Spain and Portugal.

Our goal is to give the best overview possible and develop the scope of this newsletter as more information from the EU Recovery projects merges. We plan to send out information every month.

The Trade Council has local offices in both Lisbon and Madrid and will advise you further on the application process, how to contact relevant ministries, how to seek partners etc.

If you want to add a contact to the current mailing list, you can subscribe by writing to the following e-mail address: [eurecudbud@um.dk](mailto:eurecudbud@um.dk), -or visit our EU-Recovery webpages at [EU Recovery in Spain](#) and [EU Recovery in Portugal](#).

We welcome and encourage feedback and specific requests for information and other advice.
